Several plots have reported break ins. The advice as usual is also to report the break in to the police.

- Forest Folk Heritage Sing event

This was a very successful event and people enjoyed the music. £130.27 was raised from the Hanginwater stall. Half of this was donated to Friends of the Porter Valley (FOPV).

- FOPV Autumn Fair to be held on September 10th

We have been allocated three stalls located on the grass near Forge Dam Café. Once again we are asking for volunteers to help man the stalls and for donations of produce of any kind. There will also be a “funny vegetable” competition as requested by FOPV.

Paul and Annie Grassick will be organising the volunteers so please could you let them know if you are free to help. Thank you in anticipation.

The Federation is organising a coach trip to the Harrogate Autumn Show on 17th September 2016. If you would like to go please could you contact Michael Jordan on 07961091582 or email salgfederation@gmail.com

The cost is £30 which includes the entrance fee.
