Matters arising:

- No matters arising

Agenda Items:

- Fence on Hard-standing

There was a lot more discussion about how to tackle this in an economical way making the best use of the materials we already have as well as purchasing necessary items. Rob feels that we will get a small grant from council funding. Once constructed the fence needs to be maintained by regular protective paint.

The shreddings at present on site need to be moved and a notice put up to prevent delivery of more at this gate.

- Shed Break-in and vandalism

Incidents should be reported to the police as soon as possible after the event. It might be best to leave sheds unlocked so that doors and windows aren't vandalised.

Any other business

- None
