

## **Hangingwater Allotment Association (HAA)**

Minutes of the meeting held on Sept 5<sup>th</sup> 2017

**Minutes of last meeting:** Agreed.

### **Matters Arising:**

- **FOPV Autumn Fair**

We have a list of volunteers to man the stall between 9 am and 4 pm though other helpers will be welcome.

If anyone has any produce for sale please either bring them to our stall (near the cafe at Forge Dam) on the day or leave them on the community plot (70), Marcia's plot (47) or Rob's plot (42) by Friday 15<sup>th</sup> September from where they will be transported to the stall.

- **Bonfire night**

We are hoping to have the bonfire on Sunday 5<sup>th</sup> November on plot 60 as long as we can clear an access path through the bottom of the plot and protect the fruit trees which are on the plot.

### **Agenda Items:**

- **Vandalism**

Martin Hodgson has set up CCTV which overlooks Gate B

- **Manure**

We hope to order cow manure in October and horse manure at a later date this year.

- **Allotment Advisory Group**

Rob is to attend on 26<sup>th</sup> September and will aim to discuss non-cultivation letters. Pernicious weeds on some plots are particularly bad this year and spread very easily.

**Any other business:** none

**Next Meeting:** October 3<sup>rd</sup> 7.30pm, Bulls Head, Fulwood Road, Ranmoor.
